LOCAL ITEMS.

ORANGEBURG, S. C. SEPT. 17, 1874.

Mr. KIRK ROBINSON is authorized to sollect and receipt for advertisements and sub criptions to the Times.

TERMS OF SUBSCRIPTION: One Copy for one year,

Our friends wishing to have advertisements Inserted in the TIMES, must hand them in

by Monday morning, 10 o'clock. TOWN DIRECTORY.

Mayor-Joab W. Moseley. Clerk and Treas-Kirk Robinson. Aldermen—Henry Washington, J. P. Harley, B. Williamson, T. D. Wolfe.

Mr. T. B. Boyd has gone North to supply his store.

THE Baptists and Lutherans will; be interested in the communication in an other column signed "A. B."

Mn. Ezekiel has just received a large supply of cooper ware, cutlery &c. Enquire at the Grange store.

THE railroad bridge on Russell street is a substantial and safe crossing now. Instead of being twenty feet, it is now forty and a fraction. We are satisfied now and much obliged.

WE understand that a tax has been levied for the erection of a Court house. and that other steps have been taken in the matter. We are glad to hear of it, as every new building is an improvement to the town.

Which club is really entitled to the championship for the season, the Orange or the Swamp Angels? We onderstand that only four games were actually played, each club winning two apiece. What is the ruling?

THE rush at the depot looks like business; four car loads of freights were received on Thusrday last, and the drays did a lively hauling. Cotton is coming in, but so far business is remarkably backward and dull.

MR, Augustus Fischer is making considerable improvements on hisstore He is, very rightly, not only looking after the outside, but the inside too, by increasing his accommodations for goods. This looks like business.

WE hope the Committee appointed to examine the county books will look thoroughly into the settlements of the different Treasurers with the Auditor. This is the way to get at the truth. Partial statements in papers won't

READ the advertisement of F. H. W. Briggmann, that staunch old merchant of our town, whose ripe experience in mercantile matters, and fidelity to his patrons, entitles him to the confidence of the people. We grarantee satisfaction to all who patronize him. Call and examine his stock.

A communication has been handed us proposing Gen. John A. Wagener for Governor, which together with an | ument. important one from England, has been crowded out of this issue. General Wagener is a good man and would be acceptable, not only to the Cermans, but to the whole Conservative element.

THREE cheers for McMichael and Blume! Anticipating our necessities, they have presented us with a very acceptable lot of cigars and so forth. The segars we will "puff" right away, and the so FORTH we will keep as long as circumstances will admit. Their liquors are of the best quality and cheap.

Dr. Dukes advertises in another column a fine assortment of medicines faucy articles, candies, paints &c., to which we would invite public attention. We would advise all who are in want of any of the articles mentioned in the doctors card to call at his store, where we know they can make a good bargain.

THE Edisto Social Rifle Club completed its organization fully on Tuesday evening, by the election of three more officers required by the constitution. The full list of officers now stands as follows:

President, Capt. James F. Izlar, 1st Vice President, W. B. Izlar, 2nd J. S. Heyward * 3rd W. H. Perryclear, " J. G. Vose, 4th Armorer, P. G. Cannon. Treasurer, G. W. Brunson.

THE quiet of Friday last was dis. turbed by the squealing of a hog, which presuming on old rights defied the power of Council, and ventured to run around loose and natural. His career was cut short by a watchful official, who laid hold of a hind foot, and callous to the wail of the "last minstrel," dragged him off to the lock up.

An itinerant tinner happened upon our quiet town with his solder and brass, and did athriving trade against the peace and dignity of the ordinance created especially for peddlers. Finally he was brought up and informed that he owed the town three dollars, which he promised to pay, but forgot and left by the next train.

As we see no denial, from Mr Boliver, of the statement in the "Free Citizen," that he is willing to give his services to the committee appointed to examine the county books, provided they allow him one third of the value of the frauds detected, we presume it is true. This looks like a practical admission from a trustworthy Republican source, of Republican corruption in our midst. Otherwise, why this willingness?

WE notice in the last issue of the 'Free Citizen" a lengthly article on 'Foreign Immigration" by G. A. Neuffer, a member of the Orange township Tax Union. Hestates that while Capt. Melchers requires \$10,000 for the Immigration work, he will undertake it for \$2500. Now this is certainly a wide difference between the two proposals, if they both cover the same work. The question therefore, that the people will want light upon is this: Does Captain Melchers propose to do no more with \$10,000 than Mr Neuffer does with \$2500? We would like to hear what Captain Melchers has to say. In order to judge correctly of the merits of the case, the estimates should be very plain and definite.

WE take pleasure in drawing the attention of the public to the new advertisement of T. Kohn and Brother. These gentlemen deserve much credit for their enterprise and business thrift. They not only have the handsomest store in Orangeburg, but they have just filled it with a large and splendid stock of goods from the North for the fall trade. We would call more special attention to their dress goods, gent's clothing, furnishing department, and musical merchandise. Their diamond shirts are superb, but the musical instruments in charge of Mr. H. Kohn will be the subject of enquiry. Whether it is the thought of the music or not, whenever we think of the many good things with which Mr. Kohn has enriched our Burg,our poetic nature over flows, and we are constrained to urge

All who wish their wives to please, And good things hope to own, To save their cash, collect their fees And buy from Henry Kohn.

The South Carolina Monument Association
